

Early Childhood Action Partnerships (ECAP) Webinar Series

"Building a High Performing Team"

**Tuesday, January 8
1:00-2:00**

Presented by Cathrine Lynnerup, Pontomos Leadership Consulting

How well is your local partnership working together to drive systems change? Collaboration isn't always easy! A high performing team, whether within your own organization or in a community-wide partnership must be built on a solid foundation.

Cathrine Lynnerup from Pontomos Leadership Consulting will explore the seven essential components for developing and sustaining that team.

- Find out how to move beyond the "villain-victim-rescuer" triangle that can bog down a collaborative process
- Learn key concepts for developing leadership, common purpose, and trust within your collaboration
- Participate in a discussion with colleagues from across the state

Please feel free to invite others in your partnership to participate in this training session; register following the link below. After registering, you will receive a confirmation email containing information about joining the webinar.
